National Red Ribbon Week is an alcohol and drug prevention awareness campaign observed annually during October. With the help of other community organizations, parents, teachers and adult volunteers, the Alliance for Substance Abuse Prevention (ASAP) hopes to secure a safe and healthy future for our children by promoting drug prevention, education, parental involvement and community-wide support and **celebrating the safe, healthy choices that MOST young people and adults make every day on Nantucket.**

This special offer is only available during Red Ribbon Week. If you have any questions about membership, please speak with Health Club staff directly. For more information on Red Ribbon Week, please – Call ASAP @ 508.228.1362; Visit www.asapnantucket.org; or Email nantucket.ma@ncadd.org. Thank you for your support and interest.
